Terms and Conditions:

Investment

The investor applies to invest in the trust/s distributed by FNB Namibia Unit Trusts Limited and managed by Momentum Investments in accordance with the provisions of the Deed at the NAV (net asset value) at the close of business on the date of receipt of the funds by Momentum Investments , or receipt of this application, whichever is the later, provided it is received by the daily cut-off time of 13h00. If received after 13h00 the following working day's NAV shall be used to calculate the purchase value of the investment.

Investments into unit trusts can only be made if funds are cleared, which could take up to seven working days in the event of cheque deposits in the customer transaction account. The investment price will be at NAV at the date of funds being available to invest.

This application will not be processed before FNB has received all of the relevant documentation, as laid down in the "Details of Investors" section of this application form. Companies/Trust Applications are to be accompanied with a detailed Resolution indicating the Authorized signatories. FNB reserves the right to request documentation not referred to in the "Details of Investors", as and when applicable.

In the event of units being repurchased, payment will only be made into the Investor's bank account as set out in the "Bank details" section. No third party payment is allowed.

Without prejudice to any other rights which FNB and Momentum Investments may have in terms hereof or at law, the investor agrees that FNB and Momentum Investments shall be entitled to recover from the investor any amount of money paid to the investor, which the investor is not entitled to for whatever reason, including interest thereon.

All investors are urged to carefully consider their own financial situation, investment objectives and appetite for risk before making an investment decision. Unit Trusts are sold at the NAV. Forward pricing is used. Except for the Money Market fund, the value of units may go up as well as down and past performance is not necessarily a guide to future performance. The Management Company, Momentum Investments , is a member of the Association of Collective Investments.

FNB Unit Trust statements and tax certificates such as IT3 (b) and IT3 (c) will be sent to customers once a year, after the close of the financial year end. Funds' performance will be distributed separately to clients on an annual basis.

In the event of FNB receiving conflicting repurchase instructions, FNB reserves the right to act on such instruction received.

**To calculate NAV:*

The total value of the fund ÷ the total number of units = NAV (the value of NAV changes daily according to the market condition)
