ASHBURTON INVESTMENTS

Ashburton Namibia Global Equity Fund of Funds

Fund Fact Sheet as at 31 May 2026

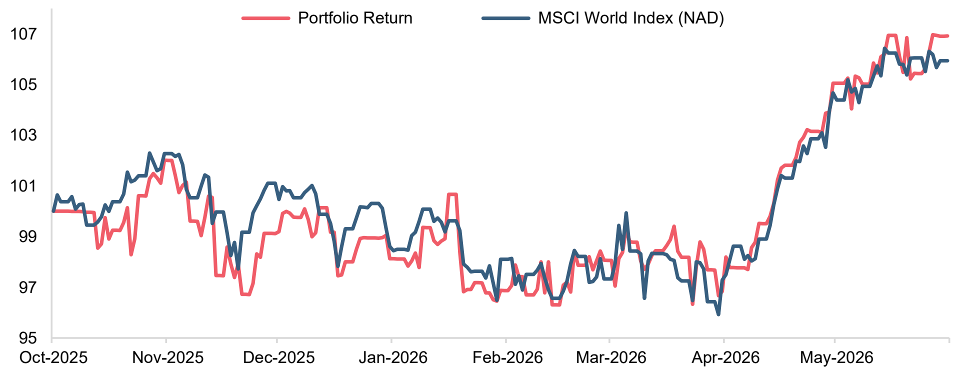
Investment Objectives and Strategy

The Ashburton Namibia Global Equity Fund of Funds aims to deliver long-term capital growth by investing the majority its assets into a range of local currency (including ZAR) denominated global equity funds and ETFs. This fund is designed for investors with a high risk appetite and long term investment horizon, who wish to participate in global equity markets without utilising their personal offshore allowance.

Investor Profile

This fund is designed for investors who want offshore equity exposure through a Namibian domiciled fund, have a time investment horizon of longer than five years and high risk appetite.

Performance since Inception



Performance is calculated net of a portfolio management fee. Varying market conditions, timing of portfolio changes and the level of client discretion may result in some variance between actual and model portfolio performance.
